Lip balm/Lypsyl

Please could we ask that you encourage your children not to bring lip balm and other similar products into school as we have several children using these products as make up and applying them in the classroom. If your child does have sore lips, you are welcome to give the office the lip balm/Lypsyl in a named envelope and your child can pop down and apply it at break and lunchtime.

Drop Off Zone

For those of you who use the Drop Off Zone, you may have noticed that we are having quite a few issues re congestion again. Please could we ask that you don't stop in the middle of the drop off zone road as this causes cars to stack up in the main road. Also if you are wanting to collect your child from their classroom you cannot park in the drop off zone, you need to park outside the school to do this please.

Many thanks for your co-operation in making these times of the day run as smoothly as possible.
