Attendance

I am pleased to say that attendance at the All Saints site is slowly increasing and has risen to **94.7%**. Unfortunately, this is still well below the government's target of **96%**.

Did you know? Of the 9 primary schools on the Island, Eastchurch School still has the **lowest attendance**. Please help us to improve by only allowing your child to stay at home when they are really ill.

Sports Day

Due to our ever expanding school numbers we have made a few changes to the way Sports Day is organised as well as to some of the activities that the children will take part in. This will include some competitive sprints between children in KS2 which should be very exciting! We are splitting the morning into 2 halves (KS 1 and KS 2) making it easier for parents with more than 1 child to watch them participate. We will still have the parents' races. We would like to ask that, at the end, parents don't call their children to them, as it makes keeping track of them very difficult. In addition, some children get upset and clingy when you leave. Thank you.
