We are still collecting these bottles to make our green house, we are nearly there but we just need a few more. **Any child bringing one in will receive a house point.**

In addition, we are collecting polystyrene pizza bases to use in art, please could you wash these before sending them in. Thank you in advance.

Please could I remind you not to stop in the middle of the drop off zone. If there are no spaces available and your child is not ready you will need to drive around again to avoid congestion building up. Thank you for your co-operation with this.
