Paint donations for Art

Further to our amnesty for old CDs, plastic bottles and other containers for our big Art project, please could we also ask if you have any old emulsion paint that you could spare for our Art project sculpture. We would ideally like any bright colours that you have spare, any amount will be appreciated and will really come in use.

Nails

Please can I remind you that nail varnish and false nail extensions are not permitted in school, this is clearly stated in our school prospectus.

Attendance

We still need your help in order to achieve a grading of good for our school attendance - the government's target for each school is 96%. The St Clement attendance figures are:

Term 1 - 93.9%, Term 2 - 93.1%, Term 3 - 93.2%

The children can still earn class gold leaves in order to win a class treat plus non uniform on a Friday as well as a sweet each week if they have attended every day that week.

If you are concerned about your child's attendance, Mrs O'Neil will be available to discuss it with you at Parents' Evening.

Did you know?

Of the 9 primary schools on the Island, Eastchurch Primary School still has the lowest attendance at **93.4%**! Please help us to improve by only allowing your child to stay at home when they are really ill.
