

Eastchurch St Clement Newsletter

April 17

I hope you had a lovely relaxing Easter and are looking forward to the Summer.

Phil the Bag

Thank you to everyone who donated their old clothes etc. to our Phil the Bag collection. We raised £122.50 (350kg of textiles) across both sites for our school funds.

Oasis Has Got Talent

Thank you to the parents of Year 4-6 children who helped them prepare for the Oasis Talent Show auditions. A special well done to Ben Summers, Kiara Cooper and Lewis Dawson who reached the finals and did our school, and themselves, proud!

Afternoon Tea

Our next afternoon tea session is to be held on the afternoon of 9.5.17 from 2.00-3.00. We look forward to seeing you there.

Science Fayre

Thank you so much for all the effort that you and your children put into entering an experiment into our Science Fayre. We went from having about 10 entries last year to nearly 50 this year! Owing to this response, next year we will arrange the afternoon a little differently so everyone gets to see their child and their experiment. From the competition, I am pleased to announce the following winners:

Key Stage 1: Billy Jackson
Lower Key Stage 2: Hope Mulder
Upper Key Stage 2: Joshua Marshall

I am pleased to tell you that Billy's experiment also won 1st prize in the Island Science Experiment competition!

Key Dates for this year.

26.4.17 (3.30-5.30) - Family Learning. See Mrs O'Neil if you are interested in participating.

3.5.17 (9.15) - Badger Class assembly

Charlton Athletic Football Coaching

Unfortunately Charlton have withdrawn their football coaching club due to it not being viable. As a school, we are looking to provide something else so watch this space.
