Assessment

The next three weeks are very important in the school year as formal assessment takes place in all year groups. Please ensure your children have a good night's sleep and a good breakfast over this period as this will help them concentrate in any tests they take.

Attendance is more important than ever too as it is better that the children are assessed alongside their peers rather than trying to catch up at a later date.

Little Owls Nursery

We are currently taking names for places at Little Owls Nursery. This coming year we are able to be more flexible with the arrangement of hours attended to accommodate for working families and will be offering full days (*subject to eligibility*) as well as the traditional morning or afternoon sessions. If you are interested or would like more information, please contact the Nursery on 01795 880279. Please pass on this information to other families you know that may benefit from this arrangement.

Just a reminder that toys from home are not permitted in school.

This includes the latest craze for 'fidget spinners'. Thank you for your co-operation
