July 2017

Arts Mark

As part of our work towards achieving the Arts Mark award, the school have been creating a tree sculpture which you may have seen evolving day by day in our top playground. We would like invite you to the Private Viewing on Monday 3rd July at 3.45pm. You will have a chance to get up close to the sculpture and have a closer look whilst the children from Kestrel class (who took the lead on the project) will explain the methods they used to create the sculpture. We hope that local artist, Sioux Peto, who has been working with the children, will be able to join us at the event. Light refreshments will also be available.

Late children

If your child is late could you please ensure they go through the office so they get marked into the register correctly. Children who arrive late (after register at 8.40) but have not been to the office will be sent there by their teacher for a late mark.

Enterprise Afternoon

Thank-you for supporting our Enterprise afternoon. It was a brilliant afternoon. Swan class made the most money with a total of £183.59 selling cakes and refreshments in their cafe. This year the school council has voted to spend the money on new playground equipment for the school. In total we raised: £ 729.29

Key Dates for the end of Term 6
