

Eastchurch All Saints Newsletter

June 2017

I hope you had a lovely relaxing half term break and you've enjoyed the sunny days that have finally arrived- let's hope it continues for Term 6!

Hoodies

Please can I remind you that hoodies should not be worn as part of a child's school uniform. In our lost property, we have a number of un-named school jumpers, please see Mrs Kemmenoe to check if they belong to you.

Access to School

Please can I remind parents to not come into the school building in the mornings. Most teachers are at the classroom doors but if they are not available or you need to speak to them at length then please make an appointment at the office.

Warm Weather

Now the weather is much warmer please ensure your child brings a hat and their water bottle to school every day, as well as ensuring they have sun protection on before they come to school.

Attendance

I am disappointed to say that attendance at the All Saints site has dropped again to **93.5%**. Unfortunately, this is well below the government's target of **96%** - Ofsted will not look favourably on our attendance currently. This time last year our attendance was 94.1%

Did you know?

Of the 9 primary schools on the Island, Eastchurch Primary School still has the **lowest attendance**. Please help us to improve by only allowing your child to stay at home when they are really ill and **do not** take your children on holiday during term time.

Key Dates for Term 6

Parent Internet Controls

I know many of you are often looking for ways to monitor and limit what your children do online. One of our parents has been using  and would recommend it.

It is a free app that can be downloaded to Apple or Android phones, it then links to your children's devices and you can set the controls to suit their age, the sites you are allowing them to visit as well as the time they are allowed to spend on the internet.
