July 2017

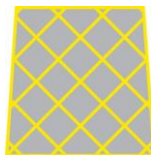

## Arts Mark

part of our work towards achieving the Arts Mark award the school have been creating a tree sculpture which you may have seen evolving day by day near the Drop Off zone! We would like invite you to the Private Viewing on Monday 3<sup>rd</sup> July at 3.45pm. You will have a chance to get up close to the sculpture and have a closer look whilst the children from Leopard class (who took the lead on the project) will explain the methods they used to create the sculpture. We hope that local artist, Sioux Peto, who has been working with the children, will be able to join us at the event. Light refreshments will also be available.

## Drop Off zone

Please could we ask that parents do not stop in the box junction as indicated by yellow criss-cross lines as it prevents others from entering the school safely.

## Enterprise Afternoon

Thank-you for supporting our Enterprise afternoon. Leopard class made the most money with a total of £128.95 selling stress balls, bookmarks and gliders. The money raised from last year enabled us to have markings on the school playground, this year the school council has voted to spend the money on new playground equipment. In total we raised: £602.02.

## Key Dates for the end of Term 6
