

Dear Parent/Carers

Next term Year 5 are going to be 'STAR GAZERS', exploring space through a variety of activities. We have arranged for a planetarium to visit the school.

This is a spectacular opportunity for children to learn through a sensory experience.

The cost per child is £3, which we hope you will be able to send in before the 3rd November.

Many thanks.

.....
I enclose £3 to cover the cost of the planetarium visit.
