

Eastchurch Primary School: Sports Premium Grant

In April 2013 the Government allocated £150 million for Physical Education (PE) and sport. The guidance is that the funding should specifically be used to improve the quality of sports provision in school. Ofsted inspectors are now reporting on how each school is using the funding to improve PE and sport provision as part of their judgement on Leadership and Management.

At Eastchurch, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Please see the table below for a breakdown of the nature of the expenditure, the impact this has had on Eastchurch Primary school and the planned expenditure of further money.

Our Primary School Sport's Funding will enable us to continue and extend our fantastic provision.

The Club ran for Term 5 and 6. 	<ul style="list-style-type: none"> • £935.00 • £2589.96 • £719.19
<p>Total spend:</p>	<p>£10,463.31</p>
<p>Impact of spending 2016 - 2017</p>	
<ul style="list-style-type: none"> • As part of the Island School's partnership, the school has benefitted from the termly CPD sessions run by the academy. As a result, the teachers have enhanced their teaching skills and pupils have benefitted from improved PE teaching. • The two PE subject leaders have been able to attend PAL meetings at the Oasis Academy where ideas have been shared across other schools in the collaboration and refresher training on different sports has up-skilled the subject leaders on specialist areas such as sports for disabled pupils, this has then been disseminated to other staff where possible. • Increased pupil participation to after-school clubs, lunchtime clubs and competitions, the school minibus has enabled us to support parents with transport to these events. • The school is proud of the number of sports clubs that it has on after school. Each term a new sports club has been run leading up to a competitive event, these have been open to pupils from both sites. • Positive attitudes to health and well-being through the well-being activities especially the Change for Life Club. • Success in local competitions: These competitions have been run in 	

connection with the Oasis Academy and most schools on the Island and Sittingbourne entered. We entered football, tag rugby, cricket, handball (in which we came third), Year 4 - 6 cross country (where many children came first, second and third), dodgeball (in which we came second), plus rounders, athletics and swimming where we won many medals across a range of events in both the athletics and swimming gala.

- Year 5 Swimming Assessment

Number of children who attended swimming	52
Number of children who couldn't swim before lessons	11 (41 could already swim)
Number of children who learnt how to swim (can swim 5m)	5 (46 in total)

- Improved links between the children at the 2 sites, including clubs for whole cohorts.
- Improved Sports day with ideas incorporated from the new PE leader at St Clement, this continued to include competitive races.
