

Eastchurch School Newsletter

Issue 4

Good Morning and welcome to the Newsletter this week,

You may recall that last week we shared with you the success of our Year 6 at the Dodgeball competition. Well Mrs Jefferies was beside herself when she received the results this week

and I wanted to take this opportunity to share with you that we were actually 4th and 5th which should most definitely be shared and celebrated.

Both Mrs Jefferies and Mr Paez are working really hard in enhancing the sports provision and within school and we are really excited to now be offering a range of clubs including boxing and football and I am sure there will be more to follow. We are also looking at ways to introduce cooking lessons to support the curriculum's objective of educating children on healthy eating.

The Safeguarding team at Kent County Council often alert us to current e safety issues and have shared with us a new website that is web cam based and being used by children country wide. For your information the website is OMNITV and contains highly inappropriate content. If you are concerned please come and see us and don't forget that Mark, our ICT Manager will be on hand in a couple of weeks to support you with privacy and parental settings on devices if you would like them checked or enhanced.
